

Conflict Minerals Statement

MTS Systems Corporation is a publicly held corporation and has filed its Conflict Minerals statement in its public filings with the U.S. Securities Exchange Commission (SEC) in accordance with the regulations. At this time, its Conflict Minerals statement is categorized as Undeterminable.

As a manufacturer of products that contain gold, tantalum, tin and tungsten, MTS Systems Corporation is committed to sourcing materials from environmentally and socially responsible suppliers. It is MTS' policy to perform reasonable due diligence in the responsible sourcing of Conflict Minerals, and we expect our suppliers to abide by the same standard.
